

Wired Records Registration Form

We're not keen on forms so hopefully this will be one of very few we will ask you to fill in. The reason we have these forms is for equal opportunities, evaluation and funding purposes. We do not use this information for any other purpose.

Subject to approval and relevant induction courses you will be provided with access to facilities owned by Wired Records at MusicHut (Stroud Road), Wired HQ (Guildhall) and eligible to apply for a slot at a Wired gig or workshop sessions on our Wired In Schools programmes.

If you are in a group or band please complete a separate form for each member.
